

Net Power Marketing, Inc.
Mr. David Berndtson, President
11646 Captain Rhett Lane,
Fairfax Station, VA 22039

David,

I would be remiss if I did not forward the attached magazine article to you.

You will note that we attributed "Web site optimization and pay-per-click advertising" to our turnaround.

You well know that it was your suggestion that resulted in our shift from outdated directory advertising to the Internet.

In a word, THANKS!

Take care,
Roger

Roger L. Burkhart, President
